

GROUP FORM

Workshop hours must be completed with a registered 501(c)3 non-profit agency, church, academic school, or US government organization. The following activities do not earn Workshop credit: any activity that benefits PBA including the students, faculty and/or staff; donating goods; raising money on behalf of a charity or organization; animal foster care; hours campaigning for a political candidate. Travel to the service site, including air travel, is not eligible for Workshop credit. If a volunteer event requires rehearsal/training, rehearsal/training hours do qualify for Workshop hours, as long as the rehearsal/training hours do not exceed the hours of the actual volunteer event.
