

Wire & ACH Instructions

WIRE TRANSFERS

A wire is a real-time method of transferring immediate funds and supporting information between two financial institutions. Wire transfers will be recorded on the account the next day. This method is ideal for international transfers.

Bank Name and Address: Bank of America
625 N. Flagler Drive
West Palm Beach, FL 33401

ABA # 026009593

Account # 00548-259-4896

Swift Code (for international transfers): BOFAUS3N

Reference: Student Name & ID Number

For wire information or problems, please call 1-800-729-9473.

ACH TRANSFERS

An ACH is essentially like making an electronic check payment. The funds are not always available to PBA the next day. ACH transfers are less expensive than wire transfers, but they take longer to be applied to the account. ACH transfers can only be done within the United States.

Bank Name and Address: Bank of America
625 N. Flagler Drive
West Palm Beach, FL 33401

ABA # 063100277 (*within the US only*)

Account # 00548-259-4896

Reference: Student Name & ID Number

For ACH information or problems, please call 1-800-285-2632.
